# Why Twiggy?

**Twiggy Vinyl Flooring** is moisture resistant which makes it suitable for any room, bathroom or kitchen.

**Twiggy Vinyl Flooring** can be cleaned with a normal broom, damp mop and vacuum cleaner. No expensive cleaning detergents needed.

**Twiggy Vinyl Flooring** is protected by a UV coating which prevents dis-colouration and fading.

**Twiggy Vinyl Flooring** is soundproof. This lends itself to better acoustics in the home and workplace.

**Twiggy Vinyl Flooring** is indent resistant, for example chairs, cupboards, heels, etc. Sharp objects should not be dragged across the floor.

**Twiggy Vinyl Flooring** has a stain resistant top layer. This allows for easy removal of any mishaps.

## Welcome to our world

### Twiggy - The Essence of Wood

Wood-like flooring products that transcend traditional boundaries of composition and design, delivering beauty and function.

### A New Age of flooring

The power behind invention is the driving force to solve a problem or to meet a need or desire. Twigg vinyl flooring is no stranger to these forces and has been carefully crafted to meet all of these and more.

We have the desire for wooden flooring in our homes and work spaces but we require a product that firstly looks beautiful, fulfils its role as a functional environmentally sustainable and cost effective solution. Twigg vinyl flooring meets these needs by replicating the ageless beauty of wood, being water and wear resistant for residential and commercial needs while meeting the ever increasing environmental parameters.
